Re: Complaint against VOLPAC - MUR 6245

Dear Mr. Jordan,

The Committee has been terminated since August 2009. The first request for refund was received November 2009. As per FEC regulations, the Committee only has records dating back 3 years and does not have the specific records related to this contribution by Ms. Vestrice Farrell. VOLPAC utilized procedures to ensure all contributions accepted were legal. If there had been indication at the time the contribution was made, VOLPAC would not have accepted the contribution under any circumstances.

Due to the request for refund being made 4 years after the original contribution and 3 months after VOLPAC terminated, and furthermore VOLPAC has no funds, we respectfully request that the FEC close this matter.

Sincerely yours,

The Honorable William H. Frist, M.D.
